

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

March 28, 2006 LB 1107, 1148
 LR 389-395

appreciate the support of the Legislature on this matter. I think the overall good kind of outweighs those worries. And I appreciate your support, hopefully, of this bill, and thanks to all the people who helped us with it. Thank you.

SENATOR CUDABACK: Thank you, Senator Thompson. You heard the closing on LB 1107. The question before the body is, shall LB 1107 advance to E & R Initial? All in favor of the motion vote aye; opposed, nay. Have you all voted on the question who care to? Please record, Mr. Clerk.

ASSISTANT CLERK: 34 ayes, 0 nays on the motion to advance, Mr. President.

SENATOR CUDABACK: LB 1107 does advance. We now go to General File. Mr. Clerk, do you have any items for the record, first?

ASSISTANT CLERK: Mr. President, I do. Study resolutions: LR 389 by Senator Schrock; LR 390, LR 391, LR 392, LR 393, LR 394, all offered by Senator Schrock; LR 395 by Senator Kopplin. (Legislative Journal pages 1258-1260.)

SENATOR CUDABACK: Thank you, Mr. Clerk. We now go to General File, 2006 Speaker priority bills. First bill would be LB 1148, Mr. Clerk.

ASSISTANT CLERK: Mr. President, LB 1148, introduced by Senator Cornett and others. (Read title.) The bill was read for the first time January 17 and referred to the Health and Human Services Committee. Committee reports the bill to General File with committee amendments. (AM2606, Legislative Journal page 1098.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Senator Cornett, you're recognized to open on LB 1148.

SENATOR CORNETT: Good morning, Mr. President and members of the body. LB 1148 is about saving lives of children with asthma and anaphylaxis. This bill allows for them to self administer lifesaving medication. Asthma is a lung disease caused by an increased reaction of airways to stimuli, and can be
